The Honorable Christopher J. Dodd
Chairman, Committee on

United States Senate

Dear Mr. Chairman:

I hereby report to the Congress the export licensing actions taken by the Department of Commerce's Bureau of Industry and Security (BIS) relating to exports of agricultural commodities to Cuba during January through March 2010. Section 906(b) of the Trade Sanctions Reform and Export Enhancement Act of 2000 (TSRA) (Title IX of Pub.L. 106-387), as amended, requires this report.

During the reporting period, BIS processed 41 notifications under License Exception Agricultural Commodities (AGR) for exports to Cuba. Of these, we approved 40 notifications in an average of 6 days. In addition, we returned 1 notification without action at the exporter's request 3 days after receipt.

Additionally, BIS processed 8 standard export license applications for exports of TSRA-eligible commodities to Cuba during the reporting period. Of these, we approved 2 applications in an average of 8 days. BIS returned the remaining 6 applications without action in an average of 4 days to allow the applicants to resubmit the applications as AGR notifications. BIS did not deny any applications for exports of TSRA-eligible commodities to Cuba during the reporting period. Enclosed is a chart illustrating these licensing actions.

Sincerely yours,
