# BUREAU OF INDUSTRY AND SECURITY OFFICE OF THE ASSISTANT SECRETARY FOR EXPORT ADMINISTRATION OFFICE OF EXPORTER SERVICES EXPORT MANAGEMENT AND COMPLIANCE DIVISION EXPORT COMPLIANCE SPECIALIST GS-1801-11

#### I. INTRODUCTION

This position is located in the Department of Commerce (DOC), Bureau of Industry and Security (BIS), Office of the Assistant Secretary for Export Administration (EA), Office of Exporter Services (OExS), Export Management and Compliance Division (EMCD).

EMCD evaluates all-source information, including publicly available and government-privileged information, to provide information to BIS and the interagency export control community to inform adjudication of export control license applications; promote U.S. exports by preventing the diversion or misuse of export controlled items abroad through outreach and cooperation with foreign governments, identify potential violators of export control laws that imperil U.S. national security; and support law enforcement actions that could result in both criminal and civil penalties, thereby encouraging compliance with the U.S. export control regime.

This position is responsible for the analysis of investigation/compliance cases, licensing and trade data, agreements and/or monitoring programs, and based on these analyses, the preparation of summaries of their findings and/or recommendations on their disposition, ultimately supporting licensing, compliance, and investigative activities. Throughout the process, the incumbent must consider the interests of the U.S. Congress, the U.S. Military, the international community, the intelligence community, other law enforcement agencies, private industry and the public.

This position is required to have access to classified national security information.

#### II. MAJOR DUTIES AND RESPONSIBILITIES

Is responsible for moderately complex assignments in the program area; analyzes and evaluates all-source data in an investigative context; conducts research and assists in the verification of data; participates in meetings and briefings; prepares recommendations for the disposition of assignments.

- 1. Individually, or in collaboration with senior compliance officers, conducts research and/or investigations of entities and transactions, evaluates findings, assesses evidence for factual and legal sufficiency, and determines whether further investigation is required to support an enforcement action.
- 2. Independently prepares written products to inform customers of findings and/or recommendations for actions.
- 3. Assists senior compliance officers in their more complex investigations conducts research; develops investigative materials; assists in document review and case-file organization; recommends further action.

4. Effectively expresses ideas both orally and in writing to senior compliance officers, special agents, leadership, and representatives within the interagency.

#### III. FACTOR LEVELS

#### Factor 1 - Knowledge Required by the Position

FL 1-7, 1250 pts

Thorough knowledge of U.S. export control regulations and national security issues and procedures to perform investigation, enforcement or compliance work.

Knowledge of investigative and compliance review methods, use of information sources, and protocols specific to assigned programs and cases.

Ability to research, analyze, and interpret all-source data, including trade and licensing data, and provide summaries and recommendation for actions and decisions.

Knowledge of international regimes that govern the export control regulations.

Ability to brief moderately complex export control issues to senior officials.

Ability to compose reports clearly and concisely in a variety of formats.

#### **Factor 2 - Supervisory Controls**

FL 2-4, 450 pts

Supervisor provides general direction and guidance on broad objectives and policies. Employee works independently and is expected to generate finished work products subject only to administrative review, and is relied upon for technical determinations within the program area.

#### **Factor 3 - Guidelines**

FL 3-3, 275 pts

Guidelines include statutes, regulations, legal and administrative precedents, agreements and established policies and procedures. The incumbent must use initiative and judgement in the interpretation of existing guidelines and, in conjunction with the supervisor develop new guidelines for the conduct of assignments' in the program area.

#### **Factor 4 - Complexity**

FL 4-4, 225 pts

Assignments consist of diverse and often unrelated steps and processes which require analysis of complex information and selection among alternative approaches to assignments. Decisions must consider handling of unusual circumstances; need to refine work methods, and the reconciliation of conflicting data.

#### **Factor 5 -Scope and Effect**

FL 5-3, 150 pts

The purpose of the work is to ensure that the applicable U.S. laws, regulations and agreements are fairly and effectively enforced. Work affects the adequacy and timeliness of government regulatory and/or service functions, and the overall effectiveness of the organization in meeting objectives.

#### Factor 6 -Personal Contacts

FL 6-3

Contacts include employees and managers throughout the organization, officials of other agencies or state and local governments involved in the assignment area, foreign counterparts and representatives of business, and/or the public.
