The Honorable Tim Johnson
Chairman, Committee on
Banking, Housing and Urban Affairs
United States Senate
Washington, D.C. 20510

Dear Mr. Chairman:

I hereby report to the Congress the export licensing actions taken by the Department of Commerce's Bureau of Industry and Security (BIS) relating to exports of agricultural commodities to Cuba during April through June 2011. Section 906(b) of the Trade Sanctions Reform and Export Enhancement Act of 2000 (TSRA) (Title IX of Pub. L. 106-387), as amended, requires this report.

During the reporting period, BIS processed 35 notifications under License Exception Agricultural Commodities (AGR) for exports to Cuba. Of these, we approved 32 notifications in an average of 8 days. In addition, we returned 3 notifications without action in an average of 2 days due to errors made in the notifications by the submitters.

Additionally, BIS processed 4 standard export license applications for exports of AGR-eligible commodities to Cuba during the reporting period. BIS approved 1 of the applications in 17 days. The remaining 3 applications were returned without action in an average of 6 days to allow the applicants to resubmit the applications as AGR notifications. BIS did not deny any applications for exports of AGR-eligible commodities to Cuba during the reporting period. Enclosed is a chart illustrating these licensing actions.

Sincerely yours,

Eric L. Hirschhorn
