Encryption Registration
Work Item Reference Number [ERN0610](#) Status: ACCEPTED [Print-Friendly View](#)

Acknowledgement

Acknowledgement Details	
Title	Encryption Registration ERN0610 Accepted with ERN R100006
Type	Acknowledgement
Date of Message	06/09/2010
Reference Number	ERN0610
Content	Thank you for submitting the information in Supplement 5 to Part 742. Your ERN is R100006. Based on this submission you are authorized to export or reexport encryption products described in Section 740.17(b)(1) of the EAR and mass market encryption products described in Section 742.15(b)(1) of the EAR. You are required to submit an annual self-classification report (Supplement 8 to Part 742) for these products pursuant to the requirements in Section 742.15(c) of the EAR.
