AUG 2 2016

The Honorable Richard C. Shelby
Chairman, Committee on
Banking, Housing and Urban Affairs
United States Senate
Washington, D.C. 20510

Dear Mr. Chairman:

I hereby report to the Congress the export licensing actions taken by the Department of Commerce's Bureau of Industry and Security (BIS) relating to exports and reexports of agricultural commodities to Cuba from April 1 through June 30, 2016. Section 906(b) of the Trade Sanctions Reform and Export Enhancement Act of 2000 (TSRA) (Title IX of Pub. L. 106-387), as amended, requires this report.

During the reporting period, BIS processed 15 notifications under License Exception Agricultural Commodities (AGR) for exports to Cuba. BIS approved 14 notifications, on average within 10 days. BIS returned one without action in two days, due to errors and deficiencies, and BIS also returned without action eight standard export license applications for the export of AGR-eligible commodities, on average within four days, for resubmission as AGR notifications. Notifications and applications for the export of AGR-eligible commodities that are returned without action are routinely re-submitted and generally approved.

Sincerely yours,
