Washington, DC 20230
Herbert C. Hoover Federal Building
(Lobby) 14th Street Entrance

WHAT ARE WE LOOKING FOR?

The Bureau of Industry and Security (BIS) invites you to join us for an in-person job fair. We are seeking new talent to join the BIS team. BIS is hiring for:

- Business and Industry Specialist
- Computer Engineer (Cybersecurity)
- Criminal Investigator
- Export Compliance Specialist
- Export Policy Analyst
- General Engineer
- Investigations and Compliance Specialist
- IT Cybersecurity Specialist
- Management and Program Analyst
- Operations Research Analyst
- Senior Advisor
- Supervisory Business and Industry Specialist
- Trade and Industry Analyst

Interested applicants are encouraged to apply to specific job announcements on USAJOBS. The job announcements will open on June 13th. Applicants who apply **BEFORE JUNE 19TH** will be pre-registered to attend the job fair and be eligible for in-person interviews the day of the job fair. Non-pre-registered job fair attendees may apply to USAJOBS the day of the event for consideration. Use the QR code for a link to USAJOBS or go to <https://www.usajobs.gov> and in the keywords box type "BIS" and check out the various job announcements.

*"BIS, where industry and security intersect
for the Department of Commerce on trade."*
