§ 39.13 [Amended]

2. The FAA amends § 39.13 by adding the following new AD:

(a) Effective Date

This airworthiness directive (AD) becomes effective August 29, 2016.

(b) Affected ADs

None.

(c) Applicability

This AD applies to all hot air balloons, certificated in any category, with BALONY KUBIČEK spol. s r.o. Model Kubiček burners.

(d) Subject

(e) Reason

This AD was prompted by mandatory continuing airworthiness information (MCAI) issued by the aviation authority of another country to identify and correct an unsafe condition on an aviation product. The MCAI describes the unsafe condition as propane leaks on burners equipped with fuel hoses made of EGEFLEX material. We are issuing this AD to prevent propane leaks in the fuel hoses, which could result in a fire, damaging the balloon and its envelope, ultimately leading to an emergency landing, with consequent injury to the occupants and persons on the ground.

(f) Actions and Compliance

Unless already done, do the following actions.

(1) Within the next 14 days after August 29, 2016 (the effective date of this AD), inspect all hot air balloon fuel lines to determine if a Kubiček fuel hose made of “EGEFLEX” material is found during the inspection required in paragraph (f)(1) of this AD, before further flight, replace the fuel hose following BALONY KUBIČEK spol. s r.o. Service Bulletin No. BB/50, BB–S/11, AB24 rev.1, dated May 12, 2016.

(2) If any Kubiček hose made of “EGEFLEX” material is found during the inspection required in paragraph (f)(1) of this AD, before further flight, replace the fuel hose following BALONY KUBIČEK spol. s r.o. Service Bulletin No. BB/50, BB–S/11, AB24 rev.1, dated May 12, 2016.

(3) As of August 29, 2016 (the effective date of this AD), do not install a Kubiček fuel hose made of “EGEFLEX” material.

(g) Other FAA AD Provisions

The following provisions also apply to this AD:

(1) Alternative Methods of Compliance (AMOCs): The Manager, Standards Office, FAA, has the authority to approve AMOCs for this AD, if requested using the procedures found in 14 CFR 39.19. Send information to ATTN: Karl Schletzbaum, Aerospace Engineer, FAA, Small Airplane Directorate, 901 Locust, Room 301, Kansas City, Missouri 64106; telephone: (816) 329–4123; fax: (816) 329–4099; email: karl.schletzbaum@faa.gov.

Addition of Certain Persons to the Entity List

AGENCY: Bureau of Industry and Security, Commerce.

ACTION: Final rule.

SUMMARY: This final rule amends the Export Administration Regulations (EAR) by adding ten persons under fourteen entries to the Entity List. The ten persons who are added to the Entity List have been determined by the U.S. Government to be acting contrary to the national security or foreign policy interests of the United States. These ten persons will be listed on the Entity List under the destinations of Iraq, the Philippines, Syria, and Turkey.

DATES: This rule is effective August 23, 2016.

FOR FURTHER INFORMATION CONTACT: Chair, End-User Review Committee, Office of the Assistant Secretary, Export Administration, Bureau of Industry and Security, Department of Commerce, Phone: (202) 482–5991, Fax: (202) 482–3911, Email: ERC@bis.doc.gov.

SUPPLEMENTARY INFORMATION:

Background

The Entity List (Supplement No. 4 to part 744) identifies entities and other persons reasonably believed to be involved, or to pose a significant risk of being or becoming involved, in activities contrary to the national security or foreign policy interests of the United States. The EAR imposes additional license requirements on, and limits the availability, of most license exceptions for, exports, reexports, and transfers (in-country) to those listed.
The “license review policy” for each listed entity or other person is identified in the License Review Policy column on the Entity List and the impact on the availability of license exceptions is described in the Federal Register notice adding entities or other persons to the Entity List. BIS places entities and other persons on the Entity List pursuant to sections of part 744 (Control Policy: End-User and End-Use Based) and part 746 (Embargoes and Other Special Controls) of the EAR.

The ERC, composed of representatives of the Departments of Commerce (Chair), State, Defense, Energy and, where appropriate, the Treasury, makes all decisions regarding additions to, removals from, or other modifications to the Entity List. The ERC makes all decisions to add an entry to the Entity List by majority vote and all decisions to remove or modify an entry by unanimous vote.

ERC Entity List Decisions

Additions to the Entity List

This rule implements the decision of the ERC to add ten persons under fourteen entries to the Entity List. These ten persons are being added on the basis of § 744.11 (License requirements that apply to entities acting contrary to the national security or foreign policy interests of the United States) of the EAR. The fourteen entries added to the entity list consist of three entries in Iraq, one entry in the Philippines, four entries in Syria, and six entries in Turkey. There are fourteen entries for the ten persons because two of the persons are listed in multiple locations, resulting in four additional entries.

The ERC reviewed § 744.11(b) (Criteria for revising the Entity List) in making the determination to add these ten persons under fourteen entries to the Entity List. Under that paragraph, persons and those acting on behalf of such persons may be added to the Entity List if there is reasonable cause to believe, based on specific and articulable facts, that they have been involved, are involved, or pose a significant risk of being or becoming involved in, activities that are contrary to the national security or foreign policy interests of the United States. Paragraphs (b)(1) through (5) of § 744.11 include an illustrative list of activities that could be contrary to the national security or foreign policy interests of the United States.

Pursuant to § 744.11(b)(1) of the EAR, the ERC determined that nine persons, located in the destinations of Iraq, Syria and Turkey, be added to the Entity List for actions contrary to the national security or foreign policy interests of the United States. The ERC determined that there is reasonable cause to believe, based on specific and articulable facts, that Sekirin (Sekirin Tekstil Ithalat Ihracat Ic ve Dis Ticaret Limited Sirketi), Yildiz (Ag Yildiz Insaat Gayrimenkul Tasimacilik Pazarlama Ithalat Ihracat ve Ticaret Ltd. Sirketi), and their seven associates (Luqman Yasin Yunus Shgragi, Yunus Luqman Yasin Shgragi, Abd Al Hakim Luqman Jasim Muhammad, Muhammad ‘ulwan Al-Shawi, Ali al-Shawi, and Jamal Jum’ah al-Shawi) have been involved in actions contrary to the national security or foreign policy interests of the United States by supporting persons engaged in acts of terror as set forth in § 744.11(b)(1) of the EAR. Specifically, these entities have been providing logistical and material support to the Islamic State of Iraq and the Levant (ISIL).

In addition, pursuant to § 744.11(b), the ERC determined that one person, located in the Philippines, should be added to the Entity List for actions contrary to the national security or foreign policy interests of the United States. The ERC determined that there is reasonable cause to believe, based on specific and articulable facts, that Warren Sumaylo, has been involved in actions contrary to the national security or foreign policy interests of the United States. Specifically, in July 2014, Warren Sumaylo was indicted for exporting weapon sights and rifle scopes to the Philippines in violation of the EAR and the International Traffic in Arms Regulations (ITAR).

Pursuant to § 744.11(b) of the EAR, the ERC determined that the conduct of these ten persons raises sufficient concern that prior review of exports, reexports or transfers (in-country) of items subject to the EAR involving these persons, and the possible imposition of license conditions or license denials on shipments to the persons, will enhance BIS’s ability to prevent violations of the EAR. Therefore, these ten persons are being added to the Entity List under fourteen entries.

For the ten persons under fourteen entries added to the Entity List, BIS imposes a license requirement for all items subject to the EAR and a license review policy of presumption of denial. The license requirements apply to any transactions in which items are to be exported, reexported, or transferred (in-country) to any of the persons or in which such persons act as purchaser, intermediate consignee, ultimate consignee, or end-user. In addition, no license exceptions are available for exports, reexports, or transfers (in-country) to the persons being added to the Entity List in this rule. The acronym “a.k.a.” (also known as) is used in entries on the Entity List to help exporters, reexporters and transferors better identify listed persons on the Entity List.

This final rule adds the following ten persons under fourteen entries to the Entity List:

Savings Clause

Shipments of items removed from eligibility for a License Exception or export or reexport without a license (NLR) as a result of this regulatory action that were en route aboard a carrier to a port of export or reexport, on August 23, 2016, pursuant to actual orders for export or reexport to a foreign destination, may proceed to that destination under the previous eligibility for a License Exception or export or reexport without a license (NLR).

Export Administration Act

Although the Export Administration Act expired on August 20, 2001, the President, through Executive Order 13222 of August 17, 2001, 3 CFR, 2001 Comp., p. 763 (2002), as amended by Executive Order 13637 of March 8, 2013, 78 FR 16129 (March 13, 2013) and as extended by the Notice of August 4, 2016, 81 FR 52587 (August 8, 2016), has continued the Export Administration Regulations in effect under the International Emergency Economic Powers Act. BIS continues to carry out the provisions of the Export Administration Act, as appropriate and to the extent permitted by law, pursuant to Executive Order 13222, as amended by Executive Order 13637.

Rulemaking Requirements

1. Executive Orders 13563 and 12866 direct agencies to assess all costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distributive impacts, and equity). Executive Order 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. This rule has been determined to be not significant for purposes of Executive Order 12866.

2. Notwithstanding any other provision of law, no person is required to respond to nor be subject to a penalty for failure to comply with a collection of information, subject to the requirements of the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.) (PRA), unless that collection of information displays a currently valid Office of Management and Budget (OMB) Control Number. This regulation involves collections previously approved by OMB under control number 0694–0088, Simplified Network Application Processing System, which includes, among other things, license applications and carries a burden estimate of 43.8 minutes for a manual or electronic submission. Total burden hours associated with the PRA and OMB control number 0694–0088 are not expected to increase as a result of this rule. You may send comments regarding the collection of information associated with this rule, including suggestions for reducing the burden, to Jasmeet K. Seehra, Office of Management and Budget (OMB), by email to Jasmeet.K.Seehra@omb.eop.gov, or by fax to (202) 395–7283.

3. This rule does not contain policies with Federalism implications as that term is defined in Executive Order 13132.

4. The provisions of the Administrative Procedure Act (5 U.S.C. 553) requiring notice of proposed rulemaking, the opportunity for public comment and a delay in effective date are inapplicable to this rule because this regulation involves a military or foreign affairs function of the United States.

(See 5 U.S.C. 553(a)(1)). BIS implements this rule to protect U.S. national security or foreign policy interests by preventing items from being exported, reexported, or transferred (in country) to the persons being added to the Entity List. If this rule were delayed to allow for notice and comment and a delay in effective date, the entities being added to the Entity List by this action would continue to be able to receive items without a license and to conduct activities contrary to the national security or foreign policy interests of the United States. In addition, publishing a proposed rule would give these parties notice of the U.S. Government’s intention to place them on the Entity List and would create an incentive for these persons to either accelerate receiving items subject to the EAR to conduct activities that are contrary to the national security or foreign policy interests of the United States, and/or to take steps to set up additional aliases, change addresses, and other measures to try to limit the impact of the listing on the Entity List once a final rule was published. Further, no other law requires that a notice of proposed rulemaking and an opportunity for public comment be given for this rule. Because a notice of proposed rulemaking and an opportunity for public comment are not required to be given for this rule by 5 U.S.C. 553, or by any other law, the analytical requirements of the Regulatory Flexibility Act, 5 U.S.C. 601 et seq., are inapplicable. Accordingly, no regulatory flexibility analysis is required and none has been prepared.

SUMMARY: This document amends the U.S. Customs and Border Protection (“CBP”) regulations to update the provisions relating to the prohibition on importation of jadeite or rubies mined or extracted from Burma, and articles of jewelry containing jadeite or rubies mined or extracted from Burma, following the expiration of the Burmese Freedom and Democracy Act of 2003, as amended by the Tom Lantos Block Burmese JADE (Junta’s Anti-Democratic Efforts) Act of 2008. The CBP regulations are amended to reflect the import prohibitions set forth in Executive Order 13651 of August 6, 2013.

SUPPLEMENTARY INFORMATION:

Background

On July 28, 2003, the President signed into law the Burmese Freedom and Democracy Act of 2003 (Pub. L. 108–61) (the “BFDA”) to sanction the military junta then ruling Burma. Among other provisions, the BFDA required the imposition, subject to annual renewal, of a ban on the importation into the United States of any article that is a product of Burma. To implement the BFDA, the President issued Executive Order (“E.O.”) 13310 (68 FR 44853, July 30, 2003).
