[Docket No. 160808698–6698–01]

Updated Statements of Legal Authority for the Export Administration Regulations

AGENCY: Bureau of Industry and Security, Commerce.

ACTION: Final rule.

SUMMARY: This rule updates the Code of Federal Regulations (CFR) legal authority paragraphs in the Export Administration Regulations (EAR) to cite the most recent Presidential notice extending an emergency declared pursuant to the International Emergency Economic Powers Act. This is a procedural rule that only updates authority paragraphs of the EAR. It does not alter any right, obligation or prohibition that applies to any person under the EAR.

DATES: The rule is effective September 1, 2016.

FOR FURTHER INFORMATION CONTACT: William Arvin, Regulatory Policy Division, Bureau of Industry and Security, Telephone: (202) 482–2440.

SUPPLEMENTARY INFORMATION:**Background**

Authority for all parts of the EAR other than part 745 rests, in part, on Executive Order 13222 of August 17, 2001—National Emergency with Respect to Export Control Regulations, 66 FR 44025, 3 CFR, 2001 Comp., p. 783 and on annual notices extending the emergency declared in that executive order. This rule revises the authority paragraphs for the affected parts of the EAR to cite the most recent such notice, which the President signed on August 4, 2016.

This rule is purely procedural and makes no changes other than to revise CFR authority paragraphs for the purpose of making the authority citations current. It does not change the text of any section of the EAR, nor does it alter any right, obligation or prohibition that applies to any person under the EAR.

Rulemaking Requirements

1. Executive Orders 13563 and 12866 direct agencies to assess all costs and benefits of available regulatory

alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distributive impacts, and equity). This rule does not impose any regulatory burden on the public and is consistent with the goals of Executive Order 13563. This rule has been determined to be not significant for purposes of Executive Order 12866.

2. Notwithstanding any other provision of law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) (PRA), unless that collection of information displays a currently valid Office of Management and Budget (OMB) Control Number. This rule does not involve any collection of information.

3. This rule does not contain policies with Federalism implications as that term is defined under Executive Order 13132.

4. The Department finds that there is good cause under 5 U.S.C. 553(b)(B) to waive the provisions of the Administrative Procedure Act requiring prior notice and the opportunity for public comment because they are unnecessary. This rule only updates legal authority citations. It clarifies information and is non-discretionary. This rule does not alter any right, obligation or prohibition that applies to any person under the EAR. Because these revisions are not substantive changes, it is unnecessary to provide notice and opportunity for public comment. In addition, the 30-day delay in effectiveness otherwise required by 5 U.S.C. 553(d) is not applicable because this rule is not a substantive rule. Because neither the Administrative Procedure Act nor any other law requires that notice of proposed rulemaking and an opportunity for public comment be given for this rule, the analytical requirements of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) are not applicable. Accordingly, no Final Regulatory Flexibility Analysis is required and none has been prepared.

BILLING CODE 3510-33-P

FEDERAL TRADE COMMISSION**16 CFR Part 803****Premerger Notification; Reporting and Waiting Period Requirements**

AGENCY: Federal Trade Commission.

ACTION: Final rule.

SUMMARY: The Commission is amending the Hart-Scott-Rodino (“HSR”) Premerger Notification Rules (the “Rules”) that require the parties to certain mergers and acquisitions to file reports with the Federal Trade Commission (“the Commission” or “FTC”) and the Assistant Attorney General in charge of the Antitrust Division of the Department of Justice (“the Assistant Attorney General” or “DOJ”) (together the “Antitrust Agencies” or “Agencies”) and to wait a specified period of time before consummating such transactions. These amendments update the Rules to allow for submission of the Premerger Notification and Report Form (“Form”) and accompanying documents (together the “HSR Filing”) on digital video/versatile disc (“DVD”), and clarify the Instructions to the Form.

DATES: Effective September 1, 2016.

FOR FURTHER INFORMATION CONTACT: Robert L. Jones, Assistant Director, Premerger Notification Office, Bureau of Competition, Room 5301, Federal Trade Commission, 400 7th Street SW.,

SUPPLEMENTARY INFORMATION:**Introduction**

Section 7A of the Clayton Act (the “Act”) requires the parties to certain mergers or acquisitions to file with the Commission and DOJ to allow the Agencies to conduct their initial review of a proposed transaction’s competitive impact and requires the parties to wait a specified period of time before consummating such transactions. The reporting requirement and the waiting period that it triggers are intended to enable the Antitrust Agencies to determine whether a proposed merger or acquisition may violate the antitrust laws if consummated and, when appropriate, to seek a preliminary injunction in federal court to prevent consummation, pursuant to Section 7 of the Act.

Section 7A(d)(1) of the Act, 15 U.S.C. 18a(d)(1), directs the Commission, with the concurrence of the Assistant Attorney General, in accordance with the Administrative Procedure Act, 5 U.S.C. 553, to require that premerger notification be in such form and contain such information and documentary material as may be necessary and appropriate to determine whether the proposed transaction may, if consummated, violate the antitrust laws. Section 7A(d)(2) of the Act, 15 U.S.C. 18a(d)(2), grants the Commission, with the concurrence of the Assistant Attorney General, in accordance with 5 U.S.C. 553, the authority to define the terms used in the Act and prescribe such other rules as may be necessary and appropriate to carry out the purposes of Section 7A.

Pursuant to that authority, the Commission, with the concurrence of the Assistant Attorney General, developed the Rules, codified in 16 CFR parts 801, 802 and 803, and the Form and its associated Instructions, codified at part 803—appendix, to govern the form of premerger notifications to be provided by merging parties.

HSR Filings provide the Agencies with the information and documentary material necessary for an initial evaluation of the potential anticompetitive impact of significant mergers, acquisitions and certain similar transactions. Currently, all HSR Filings are submitted in paper. Through these amendments to the Rules, the Agencies will allow the submission of HSR Filings digitally on DVD (“DVD filings”). The acceptance of DVD filings requires certain conforming changes to the Instructions to the Form, so the Commission is also taking this

opportunity to clarify the Instructions and make them easier to use.

Statement of Basis and Purpose for the Commission’s Revision of Its Premerger Notification Form, Instructions and Rules

Since the inception of the HSR program, the HSR Form and its attachments have been submitted in paper. In 2006, an electronic filing option was introduced that would allow filers to upload HSR Filings directly to the Agencies but that option failed to gain traction due to the limitations of the underlying technology, and it was soon discontinued. While the Agencies continue to explore an electronic filing option, they have decided to accept the submission of HSR Filings digitally on DVD. Accordingly, the Commission amends part 803 to delete references to the discontinued electronic filing option and revises these sections and the Instructions to the Form found in the appendix to part 803 to allow for DVD filings. Documents submitted by the parties with the filing are typically created and stored in digital format. Allowing parties to submit these digital files on electronic media will be more efficient and cost-effective, providing benefits to filing parties as well as the Agencies:

- Currently, those submitting HSR Filings must provide five paper copies of their Form, consisting of one original and one copy to the FTC, and three copies to DOJ, as well as one set of Documentary Attachments to each Agency. DVD filing will eliminate the expensive and time-consuming printing and duplication of documents, and allow for a more efficient filing process for filing parties.
- DVD filing will ease the physical delivery of voluminous HSR Filings to the Agencies, and facilitate the processing and review of filings within each Agency.
- DVD filing will allow for more efficient and less costly storage options for the Agencies

To provide maximum flexibility, filing parties will still have the traditional option of submitting HSR Filings in paper. Submitting an HSR Filing partially on DVD and partially in paper will not be permitted, however. Additionally, DVD submissions must be accompanied by original hard copies of the cover letter, certification and affidavit. The individual rule amendments associated with DVD filing are described more fully below.

Additionally, this rulemaking makes minor changes to the Form Instructions,
