Polyethylene Retail Carrier Bags From Malaysia: Final Results of Antidumping Duty Administrative Review; 2015-2016

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: On April 6, 2017, the Department of Commerce (Department) published in the **Federal Register** the preliminary results of the administrative review of the antidumping duty order on polyethylene retail carrier bags from Malaysia covering the period August 1, 2015 through July 31, 2016. The review covers one producer/exporter of subject merchandise, Euro SME Sdn Bhd (Euro SME). The Department preliminarily found that Euro SME did not have reviewable entries during the period of review (POR). The Department gave interested parties an opportunity to comment on the *Preliminary Results*, but we received no comments. Hence, the final results are unchanged from the *Preliminary Results*, and we continue to find that Euro SME did not have reviewable entries during the POR.

DATES: Effective May 23, 2017.

FOR FURTHER INFORMATION CONTACT: Alex Rosen or Brendan Quinn, AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone: (202) 482-7814 or (202) 482-5848, respectively.

SUPPLEMENTARY INFORMATION:

Background

On April 6, 2017, the Department published the *Preliminary Results*.¹ We invited interested parties to comment on the *Preliminary Results*,² but received no comments. The Department conducted this review in accordance

¹ See *Polyethylene Retail Carrier Bags From Malaysia: Preliminary Results of Antidumping Duty Administrative Review; 2015-2016*, 82 FR 16792 (April 6, 2017) (*Preliminary Results*).

with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (the Act).

Scope of the Order

The merchandise subject to this antidumping duty order is polyethylene retail carrier bags (PRCBs), which also may be referred to as t-shirt sacks, merchandise bags, grocery bags, or checkout bags. The subject merchandise is defined as non-sealable sacks and bags with handles (including drawstrings), without zippers or integral extruded closures, with or without gussets, with or without printing, of polyethylene film having a thickness no greater than 0.035 inch (0.889 mm) and no less than 0.00035 inch (0.00889 mm), and with no length or width shorter than 6 inches (15.24 cm) or longer than 40 inches (101.6 cm). The depth of the bag may be shorter than 6 inches (15.24 cm) but not longer than 40 inches (101.6 cm).

PRCBs are typically provided without any consumer packaging and free of charge by retail establishments, *e.g.*, grocery, drug, convenience, department, specialty retail, discount stores, and restaurants to their customers to package and carry their purchased products. The scope of this antidumping duty order excludes (1) PRCBs that are not printed with logos or store names and that are closeable with drawstrings made of polyethylene film and (2) PRCBs that are packed in consumer packaging with printing that refers to specific end-uses other than packaging and carrying merchandise from retail establishments, *e.g.*, garbage bags, lawn bags, trash-can liners.

Imports of merchandise included within the scope of this antidumping duty order are currently classifiable under statistical category 3923.21.0085 of the Harmonized Tariff Schedule of the United States (HTSUS). This subheading may also cover products that are outside the scope of this antidumping duty order. Although the HTSUS subheading is provided for convenience and customs purposes, the written description of the scope of this antidumping duty order is dispositive.

Final Determination of No Shipments

As noted above, the Department received no comments from interested parties concerning the *Preliminary Results* on the record of this segment of the proceeding. As there are no changes from, or comments on, the *Preliminary Results*, the Department finds that there is no reason to modify its analysis. Thus, we continue to find that Euro SME had no reviewable transactions

during the POR.³ Accordingly, no decision memorandum accompanies this **Federal Register** notice. For further details of the issues addressed in this proceeding, see the *Preliminary Results*.⁴

Assessment Rates

The Department determined, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise, where applicable, in accordance with section 751(a)(2)(C) of the Act and 19 CFR 351.212(b). For entries of subject merchandise during the POR for which SME did not know its merchandise was destined for the United States, we will instruct CBP to liquidate un-reviewed entries at the all-others rate if there is no rate for the intermediate company involved in the transaction.⁵ The Department intends to issue assessment instructions to CBP 15 days after the date of publication of the final results of this review.

Cash Deposit Requirements

The following cash deposit requirements will be effective for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of this notice of final results of the administrative review, as provided by section 751(a)(2)(C) of the Act: (1) For Euro SME, which claimed no shipments, the cash deposit rate will remain unchanged from the rate assigned to Euro SME in the most recently completed review of the company; (2) for previously investigated or reviewed companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is a firm not covered in this review, a prior review, or the less-than-fair-value investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters is 2.40 percent. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement
