The Honorable Christopher J. Dodd
Chairman

Dear Mr. Chairman:

I hereby report to the Congress the export licensing actions taken by the Department of Commerce's Bureau of Industry and Security (BIS) relating to exports of agricultural commodities to Cuba during January through March 2009. Section 906(b) of the Trade Sanctions Reform and Export Enhancement Act of 2000 (TSRA) (Title IX of Pub.L. 106-387), as amended, requires this report.

For the reporting period, BIS processed 51 notifications under License Exception Agricultural Commodities (AGR) for Cuba. Of these, we approved 49 notifications in an average of 5 days. Two notifications were returned without action due to errors in an average of 2 days.

Additionally, during this period, BIS processed 14 standard export license applications for TSRA-eligible commodities. Of these, 2 cases were approved in an average of 10 days. The remaining 12 applications were returned without action in an average of 5 days to allow the applicants to resubmit the applications as AGR notifications. No applications in this category were denied during the report period. A chart illustrating this information is enclosed.

Sincerely yours,

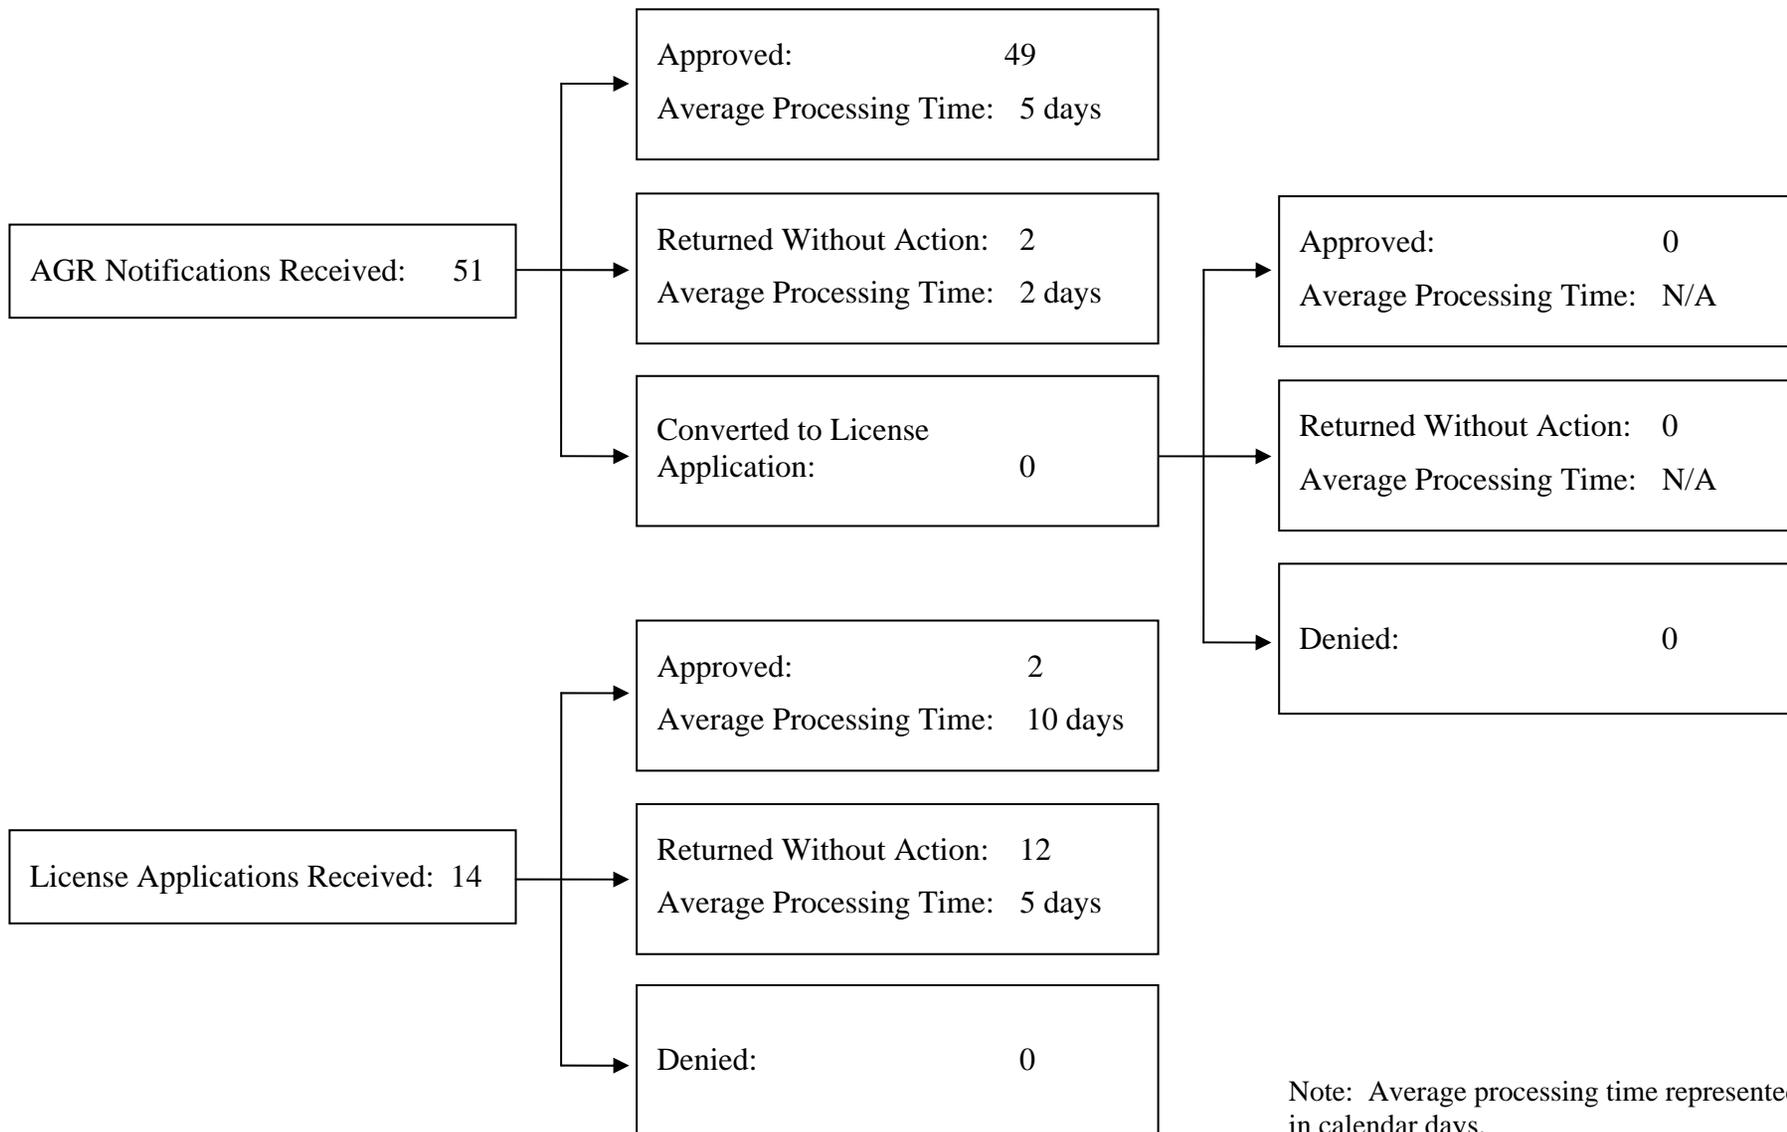

Daniel O. Hill
Acting Under Secretary
