The Honorable Christopher J. Dodd
Chairman, Committee on
Banking, Housing and Urban Affairs
United States Senate

Dear Mr. Chairman:

I hereby report to the Congress the export licensing actions taken by the Department of Commerce's Bureau of Industry and Security (BIS) relating to exports of agricultural commodities to Cuba during the period July through September 2010. Section 906(b) of the Trade Sanctions Reform and Export Enhancement Act of 2000 (TSRA) (Title IX of Pub. L. 106-387), as amended, requires this report.

During the reporting period, BIS processed 27 notifications under License Exception Agricultural Commodities (AGR) for exports to Cuba. Of these, we approved 25 notifications in an average of 7 days. In addition, we returned 2 notifications without action due to errors in an average of 4 days.

Additionally, BIS processed 9 standard export license applications for exports of AGR-eligible commodities to Cuba during the reporting period. Of these, we approved 3 applications in an average of 13 days. BIS returned the remaining 6 applications without action in an average of 5 days to allow the applicants to resubmit the applications as AGR notifications and correct errors. BIS did not deny any applications for exports of AGR-eligible commodities to Cuba during the reporting period. Enclosed is a chart illustrating these licensing actions.

Sincerely yours,

Eric L. Hirschhorn
